ALL GLAZED FRAMES COSTED WITH CLEAR 'A' RATED 28mm UNITS

ALL FRAMES WILL MANUFACTURED WITH 'DUMMY SASHES' IN FIXED LIGHT AREAS

ALL SASHES WILL BE FITTED WITH FRICTION HINGES & SHOOT BOLT LOCKS
(WHEN TRIPLE GLAZING IS REQUIRED SIDE HUNG SASHES WILL BE UP-GRADED TO MEGA EGRESS TYPE)

HINGE HOOK / EXCLUDERS FITTED AS STANDARD TO ALL SASHES

ALL FRAMES COSTED WITH 'MINI (30mm) RADLINGTON' 165mm CILL INC FOILED END CAPS
(CILL OPTIONS INCLUDE 95mm & 180mm BUT BOTH ONLY AVAILABLE WITH BASE COLOUR END CAPS)

STANDARD WHITE FAB & FIX WINDOW HANDLES INCLUDED (SEE OPTIONS BELOW)

Please note that certain frame designs (five panel and above) cannot be fabricated at this moment in time due to machinery set-ups and tooling availability – therefore some frames will need to be considered being made in sections. It is hoped that by mid-2017 this practice should only need to apply to certain frames.

This colour chart is for R7 colour options, please be aware that they are not foiled on the rebate. The print process may not give a 100% accurate colour representation of the actual finish as some have different textured grains. For this reason it is recommended to see the actual swatches of the finishes available.
